STATEMENT BY APPLICANT	Application Number	10/714,567			
Substitute for form 1449A/PTO INFORMATION DISCLOSURE	Complete if Known				
Substitute for form 1449A/PTO	Under the Paperwork Reduction Act of 1995, no parsons are required to respond to a collection of imprimation unless it contains a valid CMB control				

US PATENT DOCUMENTS								
Examiner Initial *	USP Document Number	Publication Date	Name of Patentee or Applicant of cited Document	Filing Date If Appropriate				

FOREIGN PATENT DOCUMENTS							
Examiner Initials*	Foreign Document No	Publication Date	Name of Patentee or Applicant of cited Document	T²			

	OTHE	R DOCUMENTS NON PATENT LITERATURE DOCUMENTS				
Examiner initials*	Cite Include name of the author (in CAPITAL LETTERS), title of the article (when appropriate), title No 1 (book, magazine, journal, serial, symposium, catalog, etc.), date, page(s), volume-issue no publisher, city and/or country where published.
